

# KULTURA

### Digitalizacija kulturne baštine

Europska unija Zajedno do fondova EU

Projekt je sufinancirala Europska unija iz Europskog fonda za regionalni razvoj.

### " e-Culture - Digitization of cultural heritage"

The project is implemented by the Ministry of Culture in partnership with the Croatian National Archives, the Croatian Radio and Television, the Museum of Arts and Crafts and the National and University Library in Zagreb.

### Scope of the project " e-Culture - Digitization of cultural heritage"

### Project elements

- Establishment of a central system for the permanent records, access, aggregation and search of cultural heritage material and the development of e-services
- Development of standards and models of management and functioning of the central repository
- Procurement of equipment
- Procurement of services
- Capacity building of MoC, Partners and institutions from CH community
- Publicity and visibility
- Project management and administration

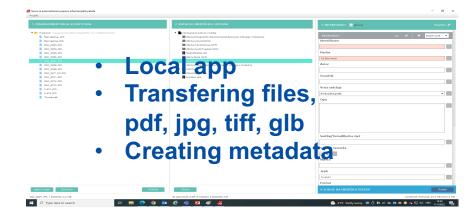

### The project goal

- Establishment of a central system for the permanent records, access, aggregation and search of cultural heritage material and the development of e-services
- Development of standards and models of management and functioning of the central repository
- Procurement of equipment
- Procurement of services
- Capacity building of MoC, Partners and institutions from CH community
- Publicity and visibility
- Project management and administration

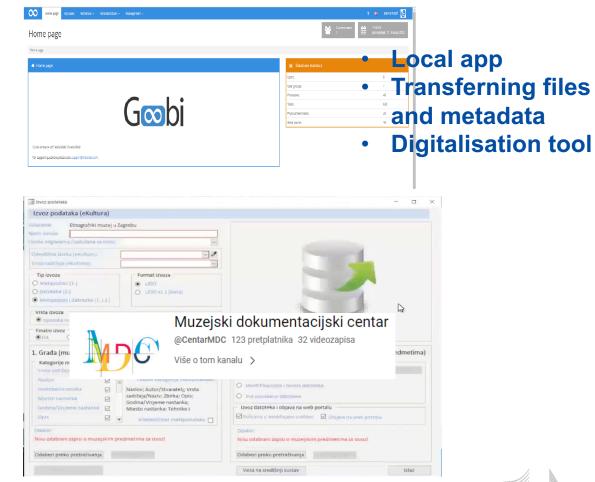

### Project results

- Central system for storage, access, aggregation and search of cultural heritage material (central system) established
- E-services developed
- A standardized approach to the digitization of cultural heritage has been established
- Strengthened capacity of the AKM community to digitize cultural heritage
